

## Things to Know Before Traveling to RDC in 2022

Photo by Cindy Jones

### Adjusted Arrival and Departure Times

To allow staff enough time to properly clean and sanitize lodging accommodations, **Check-in is after 5 p.m.**, and **Check-out is no later than 10 a.m.** Arriving guests should not enter their accommodations before their Point Person registers at the office.

### Cottage Point Person

We are asking for a **Point Person** from each cottage. This will be used for communicating important information to guest families and contact tracing if needed. Please indicate your Point Person on your Reservation Request Form.

### Camp Offices

The office staff will be placing top priority on creating a safe and healthy environment for everyone. Therefore, we ask that only the **Point Person** for each cottage enter the office to check-in and check-out. During your stay, please limit your visits to the office and contact us by phone or through email for any questions or requests. Your Point Person may pick up your bill after 4 p.m. on the day before your departure.

### Dining

Both Rockywold and Deephaven Dining Rooms will be open, offering traditional seating with a two-hour serving time for each meal. In addition, take-out containers will be available for those wishing to enjoy their meals outside the dining room. We encourage anyone of high risk to arrive during the beginning of each meal hour when there may be less traffic.

### Housekeeping & Outside Crew

We will offer full daily housekeeping and outside crew services. If you prefer a lower-contact experience and would like to opt-out of any portion of these services, you may notify our office staff at any time.

## Safety

RDC has prided itself on maintaining its long-lived traditions for 124 years, and we understand the difficulty in adjusting to change in a place that is so familiar, but health and safety are our highest priorities. Therefore, we kindly ask that all our guests have patience and understanding in observing the safety protocols at Camp and respect the health of our community.

These policies are based on the current guidance from the Center for Disease Control and the State of New Hampshire. Please understand that these guidelines may evolve throughout the season to address any changes in federal and state recommendations. We request that everyone observe the following guidelines below.

**Liability Waiver:** All guests will be required to sign a Liability Waiver and Quarantine Statement upon arrival. You may review these documents at [RDCsquam.com](https://www.RDCsquam.com) and current New Hampshire State Guidelines at [visitnh.gov/know-before-you-go](https://www.visitnh.gov/know-before-you-go).

**Symptoms Screening:** All guests will be required to sign a Symptoms Screening upon arrival. Please monitor your health daily and be alert for any symptoms related to COVID-19. A list of symptoms will be located in each cottage. Do not come to Camp if you have any symptoms prior to your arrival; you can review the list of symptoms at [cdc.gov/screening](https://www.cdc.gov/screening). If symptoms develop while at Camp, isolate and notify Camp management immediately. These phone numbers can be found in RDC's Guest Manual.

**Physical Distancing:** RDC asks that all guests respectfully practice physical distancing by keeping at least six feet apart from guests not part of their family group or staying in the same cottage—both indoors and outdoors.

**Hand Hygiene:** All guests should practice excellent hand hygiene while at Camp. This is especially important before entering common areas or the dining halls. Additional hand sanitizing stations will be placed throughout Camp. All high-touch and high-traffic areas will be sanitized frequently following CDC recommendations.

**Personal Protective Equipment:** Masks, gloves, disinfectants, and hand sanitizers will be available upon request; however, we ask that guests bring a personal supply to last the duration of their stay.

**Face Coverings:** We ask all guests and staff to wear a mask or other face covering in any public indoor space, regardless of vaccination status. Masks will be available upon request.

You can check for seasonal updates on our website at [RDCsquam.com](https://www.RDCsquam.com). If we can be of further assistance prior to your stay, please don't hesitate to give us a call at 603-968-3313.

*We look forward to having you with us this summer!*
